- Fulfills the **CNM** requirements of physical health and has passed the necessary exams.

## 2. FEES:

All students are required to pay a **50% deposit with enrolment**. The course fees need to be paid in full 4 weeks before the commencement of the course. The CNM has the right to give the study place to another student if the study fee is not paid 4 weeks before study commencement. A student whose fees fall into arrears, will not be permitted to continue the CNM-study, take examinations nor graduate until the fees are paid.

Fees for overdue assignments: Late homework fee: £10. Late Case Study fee: £20.

## 3. CANCELLATION:

1. **POSTGRADUATE Courses** cannot be cancelled once the course has started. No refund is possible once the course has started.
2. Courses for which a student is enrolled on but **have not yet started** can be cancelled **up to two months prior to the course commencement date**. If this occurs, the student will receive a refund of any course fees received by the College for that specific course. A £150 cancellation fee will be kept as an admin fee. If there is less than two months before the course commencement date or the course has commenced the student is liable to pay the fees for that course in full.
3. **All cancellations** are to be **in writing** from one party to the other.
4. The above apply to the CNM as well as the Student.
5. In the unlikely event that a course does not reach 15 students per class the class will not proceed and the full fee will be refunded.
